P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant petitions to revive the above-identified application under 37 CFR §1.137(b).

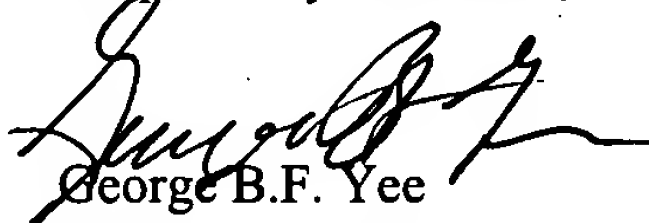

The application was unintentionally abandoned for failure to properly respond to the Office Action mailed on March 25, 2003.

The entire delay, including the delay from the date of discovery of the abandonment of the application through the date of this Petition, was unintentional. Please also note that a Certified Copy of Japanese Patent Application No. 11-162046, filed June 9, 1999 was submitted with the Response to Notice of Missing Parts as filed on October 27, 2000.

We are simultaneously filing a Request for Continued Examination (RCE) entering the unentered Amendment filed on July 25, 2003 with this Petition to Revive.

Please deduct the petition fee, pursuant to 37 CFR §1.17(m), of \$1330.00 from the Deposit Account No. 20-1430 of the undersigned. Please charge any additional fees or credit overpayment to the above Deposit Account, see PTO-SB/17 Fee Transmittal submitted in duplicate.

Respectfully submitted,
